青涩回忆 Youth Ever

Belong to the summer sun and young chirping girl who wears white shirt.
Youth is the most beautiful thing which is sweet and bitter.

D014 User Manual

Notes: The product has a dustproof cover which is composed of three pieces of organic glass.
Timber, cloth and bead might be slightly different between batches, please refer to the real product for detailed information.

Lateral View

Warm Prompt

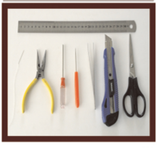
Cautions :

Please do not allow infants and young children to play with the package for avoiding dangerous accidents!

The product must be taken out by adults and then played by children.

Children must be under the custody of adults when playing with the product

Necessary Tools
(Tools are not included in the packing list and should be prepared by users)



Tips for assembling

① Please read the user manual carefully before assembling.
② Firstly polish corners of wooden materials by sandpaper, and then assemble every part tidily according to Part Number.
③ Use tweezers to help pasting tiny materials.
④ Use pliers to shape iron wire.
⑤ Dotted lines on paper accessories are folding line, and grey parts are for pasting.
⑥ It is suggested to paste paper accessories by double faced adhesive tape.

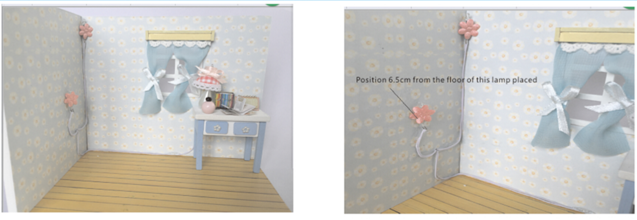
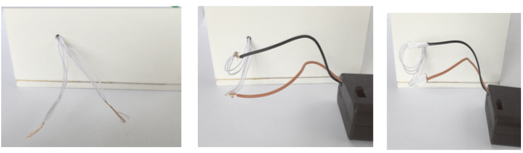
Circuit and the Connection of Battery Box and Power Supply



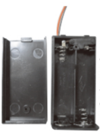
Position 6.5cm from the floor of this lamp placed

As shown in the picture, paste table lamp and wall lamp in place and fix power supply wires on the wall.

The connection of battery box and power supply
Cautions:
Do not connect positive and negative terminals reversely.
Do not put the battery in the fire.
Do not damage outer package.
The storage temperature should be 0~40 Celsius degree.
Prevent it from contacting a metal or short circuit.
Please install it strictly according to user manual.



Peel off the skin from the end of each bulb wire, twist the power wires and ground wires separately and connect them to the two wires of battery box as shown in the picture and wrap the connector with gummed paper.



1. Firstly connect power wires and then install batteries correctly. Peel off the skin from the end of each power wire and connect them to the battery box as shown in the diagram.

Notes: It' s forbidden to touch the copper wires of power wires when power supply is connected.
Please do not turn on the battery box until the copper wires are properly wrapped with gummed paper.
